

BLOCK-LOCK ADHESIVE

BLOCK-LOCK ADHESIVE is a premium adhesive which may be used for a variety of bonding applications such as adhering caps to landscape block walls, thin-brick panel systems and the installation of roof tile, valley tile, wall tile or broken field tile. Easily applied with standard caulk gun.

- Provides a strong durable bond when adhering caps to landscape block walls
- Thin-brick veneer panel systems
- Adheres to concrete, brick, wood, tile, steel, asphalt, clay, slate, roof tiles, etc.
- One-part urethane, moisture cured
- Contains no TDI
- Fast-setting, non-shrink
- Easily applied with a standard caulk gun
